GOVERNMENT OF MYSORE

OFFICE OF

The Engineer Officer, City Improvement Trust Board, Bangalore.

Date 17th March 1945

To

The Secretary to Government,

Law Department, Bangalore.

Sir,

I have the honour to state that the services of one Mr. N.K Ethirajalu Naidu a Draftsman of the P.W.D. have been placed at the disposal of the Trust Board. At present there is no separate Draftsman for the office of the City Drainage Division which is also under my control and I have sometime back made a special reference to the Director of Public Health for getting the post of a Draftsman sanctioned to that office. In the meantime the Draftsman now posted to the Trust Board is looking after the work of the two offices and the work is naturally heavy for one man and Mr. N.K.Ethirajulu Naidu has been attending to the duties pertaining to the two offices and as such his work deserves to be recognised and I recommend that an allowance of Rs. 10/- per mensem may kindly be sanctioned to him from 10th January 1945 the date on which he reported for duty here till a separate draftsman is sanctioned for the Drainage Division

P.T.O.

It may be mentioned here that similar consideration was granted to the Accountant, Cashier and Typist of the ~~Drawing~~ Drainage Division for attending to extra work of the Trust Board.

A copy of my letter No.134 dated 10-1-45 addressed to the Director of Public Health making out a case for the creatio of Draftsman's post for the office of the Drainage Division is submitted for kind information.

I have the honour to be,
Sir,
Your most obedient servant,

Ramaswamy
Engineer Officer,
C.I.Trust Board.

MR/17-3.

Letter No.134 dated 10-1-45 from the Special Officer, City Drainage Division, Bangalore to the Director of Public Health in Mysore, Bangalore. 6

Re. The post of a Draftsman for the Drainage Division.

I have the honour to state that ever since the Drainage Division was brought into being the office has been working without the aid of a draftsman and estimates prepared by Executive Subordinates have not therefore been subjected to any check in the office. The scrutiny of estimates specially in respect of rates is a very important one and has to be arranged to be done by an independent agency in the office under my supervision. As matters stand at present, this work has been allowed to go by default as there is no sanctioned post of a Draftsman for my office. I therefore request you kindly to address Government for the creation of the post of a draftsman in grade Rs.55+5+80 for the Drainage Division. The cost on this account will be met out of the grant of Rs.64,000/- provided under 30 grants for Public Improvements, 1 Bangalore City Improvement and distributed prorata to the several works as in the case of the existing staff at the end of the financial year. P.T.

I request early action be taken in the matter.
